Please check the list at the studio reception desk to verify your student(s) information and initial to confirm the accurate spelling for the program. Thank you for your assistance.

RECITAL ORDERS: The FINAL recital orders are posted around the studio we encourage parents and students in multiple classes to review and notify the staff of any back to back performances. We understand that some students will have quick changes and there is a room off the stage available for quick changes only, please see a Superstars staff member at rehearsal for directions to the quick change room.

REMINDERS FOR RECITAL DAY: Please arrive 30 prior to the recital start time, students in the first 15 acts should be dressed and ready to perform. Students will report to the cafeteria to check-in and will remain there until their performance time. **Students can be picked up at the conclusion of the recital.** ALL Students under the age 8 must be picked up by an adult – No Exceptions. All students are invited to stay for the Finale bow at the end of each recital, Superstars Staff members will assist with lining students up in the auditorium to participate in the bow.

We encourage audience members to stay and enjoy the entire show, we have so many talented students at Superstars and the kids performing in routine #25 worked just as hard as the second routine in the show. Superstars recitals are a manageable timeframe and we look forward to entertaining you throughout the show! The kids would like nothing more than a full auditorium to perform. Recital is much more exciting for the performers when the seats are full and the audience is engaged and supportive; let's show all the performers appreciation for all their hard work!

If for some reason you do need to exit during the show, please do so in between performances.

Auditorium doors will open 45 minutes prior to the recital start time. Saving seats prior to the doors opening is strictly prohibited! Any items placed on seats prior to the doors opening will be removed, additionally any persons in the auditorium prior to the doors opening will be asked to leave the auditorium prior to the show. Competition Programs and Frequently Asked Questions: The Grimes Superstars Competition Dance programs provide students the opportunity to take their dance and performance skills to the next level through additional class training and competition experience. Students attend a regular class and competition class each week; dance competition team members are also required to attend a dance technique class weekly and production team practices one Saturday each month.

These programs are designed to challenge the students, provide a chance to compete, enhance skills, and strength basic technique, all at a manageable time commitment per week. The directors of Grimes Superstars take great pride in be able to offer these higher level programs at a reasonable time commitment so students may still participate in school, church, and other community programs. As directors, we want students to be able to be "kids" and afford them the opportunity to be active members of their schools and community. However with that said, being a part of the competition team is a commitment that should be thoroughly considered as practices and performances are mandatory.

In addition to the Grimes Superstars Dance and Production Competition teams, this year we are once again offering a Pre-Competition combination class for 1st graders and up interested in competition dance. This Pre-Competition dance class will compete at a minimum of 1-2 local competitions in April/May.

There is a lot to consider when joining a competition team, therefore we've provided a general **Frequently Asked Questions** for our competition team programs.

What is the Expectation of My Student for the Competition Team?

As with any other sport team, students are expected to attend classes and participate to the best of their ability. With competition classes attendance is critical to the success of the team therefore each team has strict policies regarding attendance with frequent unexcused absences leading to dismissal of the team. Absences are excused for activities such as school event that are required for a grade, family event such as a wedding, contagious illness with a doctor's note, absences are not considered excused are non-contagious illness without a doctor's note, vacation planned after the competition dates are announced, sports/extra curricular functions, homework, or work schedule.

Additionally, all competition camps and competition events are Mandatory for team members. Grimes Superstars does not dictate the schedule of the actual competition, therefore we ask team members to leave the entire competition weekend open as Superstars has no control over when the teams compete during the weekend. The studio is typically notified by the competition 1-2 weeks before the event of the performance times for the teams.
