

HALLOWEEN COSTUMES

Students may wear their Halloween costumes to class the week of Halloween; Monday, October 30th-Thursday, November 2nd.

Please note: We will have classes on Beggars' Night!!!

(We have students from several surrounding communities, and each has a different Beggars' Night). We will hold regularly scheduled recreational classes and hope you can attend, but if not, that's okay! ☺

Please remember that children should either be able to move in their costumes, or bring appropriate clothes to change into. Safety first, thank you! Happy Halloween!

AUTOMATIC PAYMENTS

The first automatic payment of the year is effective on **Sunday, October 1st**. Please look at your checking or credit card account and verify that this transaction took place. If it did not, please contact the office, as something is incorrect with your student's account. Please let us know if you have received a new account number, credit card or expiration date, as this will affect your auto payments.

Reminder: there is a \$25 processing fee for returned payments. We offer automatic payment plans for your convenience. However, it is your responsibility to make sure your bill is paid. Please see the office with any questions.

MARK YOUR CALENDARS FOR THANKSGIVING VACATION!

Classes will run **Monday, November 20th** to make up for classes missed due to the Labor Day holiday.

The studio will be closed from **Tuesday, November 21st through Sunday, November 26th**. We will resume classes on **Monday, November 27th**.

FLU SEASON!!!

Flu season is never fun! So, let's all try to stay healthy! A good way to do this is to make sure your child washes their hands frequently. Also, **if your child is sick: please, please, please keep them home until they are feeling better, and no longer contagious!** PLEASE CALL THE STUDIO if your student is ill or will not be in class. This is important for the teachers to keep accurate attendance records. Additionally, because we care about your children, we worry when someone misses class and we don't know why. Thank you!

*Performing in front of an audience is a great way to boost confidence, and get over any anxiety or “stage fright” prior to the Recital. We highly encourage every student to attend and perform. However, we understand the holidays are busy for everyone, so please let your teacher know as soon as possible if you will be unable to attend. Thank you!

A NOTE FROM THE TEACHERS. . .

Parents and Guardians, we need your help! The first month of dance/tumbling/cheer is complete and we feel so blessed to have your children in our classes! They are doing so well! In order to become the best they can become, they need YOUR ENCOURAGEMENT! We see and work with your children once a week and **practicing at home is ESSENTIAL!** Ask your child to show you their routine or what they learned in class. It is nearly impossible for us to teach something new if we have to continue reviewing what was taught the week prior. When your child knows you are interested in their progress and available to help, they advance more quickly. Help US help YOUR student be the very best they can be!

REMINDER: STUDIO HAS WI-FI!

For your convenience, wireless internet is available at the studio!
